

# program description

Everybody Move Inc. offers a playful hour with you and your child featuring age-appropriate circle-time with an autoharp, scarves, balls, hoops, puppets, instruments and more. In our bright dance studio, children are free to explore movement on ramps, climbers and tunnels in a safe environment. With an average class size of only 8 students, children have ample space to play. This class is a wonderful balance of directed activities and free exploration.

**NEW! en español class**  
(ages 20-42 months)  
Young children are introduced to Spanish through the fun and engaging medium of music and movement at the perfect age.

**Multi-age/Sibling class**  
(ages 6 months - 4 years)  
Unique opportunity for children of different ages to sing and dance together. The atmosphere is like a family, with younger children modeling after older ones.
